

VOTE FOR KNOX COUNTY ESC'S PEPSI REFRESH PROJECT

Primary teachers collaborate during IMPACT (Improving Mathematical Practices and Classroom Teaching) training.

What is it?

The Knox County Educational Service Center's (KCESC) project will fund the COMET (Central Ohio Mathematics Enrichment for Teachers) program. If funded, this program will:

- Bring an intensive year-long professional development experience to Knox County math teachers in grades 3 to 6.
- Continue to improve math instruction in our Knox County classrooms.

How do I vote?

1. Visit www.refresheverything.com/. Click [Join Refresh Everything](#) to create an account. Enter your name, email, and birth date. Choose a password and hit "done." You are now ready to vote.
2. Beginning on April 1, 2010 visit www.refresheverything.com/knoxcountyoh. Click [Sign in](#). Log on by entering your email address and password and click "sign in." Read more about our math instruction project on this page and click "vote for this idea." (Bookmark this site.)
3. Be sure to repeat step #2 every day between April 1 and April 30th to cast your vote for this project.
