

Classroom Computer Use Policy

By signing this form I agree to the following:

I understand that viewing inappropriate sites with abusive, obscene, or inappropriate material which is not related to classroom work is absolutely prohibited.

I understand I am not to download any programs (including Internet mail programs such as Yahoo, Hotmail, etc.) on any computer in the Alternative Center building.

I also understand and agree not to change the desktop settings or in any way attempt to reconfigure the computer settings.

Any person found not following these computer use policies, will be denied computer use and/or subject to further discipline.
